

## Experience the Unexpected: E-Bike tour with at1899!

With at1899, in collaboration with 2wheels Rental, you have the opportunity to comfortably explore the beautiful regions of Capriasca, Valcolla, and Malcantone on a fantastic E-Bike. The powerful electric motor and assisted pedaling will help you to discover wondrous places; places which you would never have thought to reach on a traditional mountain bike.

Guided tour; minimum of two people, maximum of four.

The Experience the Unexpected: E-Bike Tour includes:

Two nights in a deluxe, two person room; a local guide; a full suspension premium E-Bike; helmet; gloves; transportation; Ticino card; breakfast.

First day:

- Check in at at1899
- Aperitivo and welcome dinner - soft-drinks included

Second day: approximately 7 hours and 15 minutes

- One of the most beautiful trails in Ticino. This path winds along the peak of Monte Bar above Lugano, across from the hilly woods of the region, and leads to the majestic Monte Tamaro.  
Monte Tamaro cable car included.
- Length 64.8 km
- Duration 7 hours and 15 minutes
- Altitude change 2,376 m
- Difficulty Hard
- Arrival at at1899 for refreshments and aperitivo
- Free evening

Third day: 3 hours and 30 minutes

- MMalcantone
- On this excursion, you will discover the green hills and mountains of Malcantone: an encounter with nature that will allow you to observe various types of ecosystems, and the changes which they have undergone.
- Length 31.8 km
- Duration 3 hours 45 minutes
- Altitude change 1,223 m
- Difficulty Easy
- Arrival at at1899. Lunch, with soft-drinks included
- Late check-out 16:00
